About me

An excellence scholarship awardee and a senior software engineering student at the Mediterranean Institute of Technology. Passionate about Data Science and AI, and looking for opportunities to gain valuable experience and develop my skills while building projects.

Experience

Software Engineer Intern   June 2024 - August 2024
Monet Financial Technologies (Nuremberg, Germany)
- Developed **backend** and **frontend** features based on technologies such as **Kotlin, Spring Boot, Flutter,** and **React**.
- Performed **data analysis and automation** with Python scripts.
- Managed cloud infrastructure (**Github Actions**).
- Created **unit** and **integration tests**.
- Collaborated with the CEO & CTO for **planning, organization, and architecture design of features**.

Research Intern   May 2023 - August 2023
Mediterranean Institute of Technology (Tunis, Tunisia)
- Collaborated in the authoring of a **research paper focused on the fields of UX Design and Open-Source development**.
- Assisted in conducting an **extensive literature review** to establish the foundation of the research.
- **Collected related data, performed thorough analysis**, and drew actionable conclusions for impactful research.
- Submitted the research paper to a **scientific journal.**

UI Designer   September 2021 - September 2023
Iberis (formerly Birou Suite) (Tunis, Tunisia)

- Worked as a freelance **UI designer** for Birou Suite, and its clients.
- Designed different social media posts, and **prototypes for mobile applications and websites.**
- Attended meetings with the clients to **gather and understand their requirements.**
- Assisted with the **Development process** of different websites and mobile applications.

Web Developer Intern   June 2022 - July 2022
BluePen Labs (Tunis, Tunisia)
- Designed and developed a **website using React and Bootstrap.**
- Connected the website to a **MySQL database** through **REST APIs** developed with **Express.js** running on a **Node server.**
- **Deployed** the project and **hosted** it online.

Education

Mediterranean Institute of Technology (Tunis, Tunisia)   September 2020 - June 2025
Software Engineering Degree
- **Top highest CGPA** of the cohort (3.86/4)
- Full **Excellence Scholarship**

Pioneer High School of Sfax (Sfax, Tunisia)   September 2016 - July 2020
Tunisian Baccalaureate in Mathematics
- Baccalaureate obtained **with honors** *("mention très bien")*
